The Orion StarBlast II 4.5 EQ Reflector Telescope Kit is the best general-purpose telescope for novice star-gazers. It's a decent option for younger members of the family, or those showing a ...

**The 9 Best Stargazing Telescopes from $200 to $2000**

The Orion StarBlast 4.5 Astro Reflector Telescope is a great compact grab-and-go telescope, ideal for beginner and intermediate stargazers. What we enjoyed about this deep space telescope is the sturdy table-top base. It made it very easy to set up and operate. The base is a manual altazimuth with smooth controls for the tracking of celestial objects.
